

Box Scrapers

"I've had my Strobel Box Scraper for over ten years now... the only thing I've done is replace the blades."

– Neil, Scottsbluff, NE

RELIABLE

GENERAL PURPOSE

8 Foot • 10 Foot • 12 Foot

MEDIUM DUTY

10 Foot • 12 Foot • 14 Foot

HEAVY DUTY

10 Foot • 12 Foot • 14 Foot • 16 Foot

Side Supports: tapered and beveled for extra strength and durability

Curved Cutting Blades: unique design cuts quickly and accurately

Welded Tongue: tongue is welded to the back of the scraper rather than bolted or welded to the front support

Pivot Points: all pivot points are anti-rotational and greasable

MD and HD Models Feature:

- swivel tongue and various hitch and tongue options
- optimal back and dump height
- leading front and side replaceable cutting blades
- machined bushings and anti-rotational pins provide a tighter tolerance which results in a longer life

heavy duty sidewall

optional dual wheels

360° swivel clevis hitch

OPTIONS: Tilt Axle, Dual Wheels, Spade Hitch

Move the Earth... with Strobel Scrapers
